

PRESS RELEASE.

REWIRE HOLDING LTD 4th November 2022

Rewire Holding LTD was distinguished with the "Climate Positive Award 2022".

*For its contributions and leadership in **Digital Evolution** towards communities and the environment.*

On November 7, the second day of the UNFCCC Conference of the Parties 2022 (COP 27), in Sharm El Sheikh, Egypt. Today, Green Cross United Kingdom announced that Rewire Holding has been selected as one of the winners of the Climate Positive Award 2022.

To us, this award is a recognition of our hard work towards financial inclusion and creating a digital financial environment for everyone.

“Jose Merino, CEO of Rewire Holding LTD”, said “Our vision has always been to design our own technology with the goal of making it easier for the financial part of people’s life and therefore reduce the number of the unbanked worldwide. This award from Green Cross recognises that vision and we feel extremely humbled and proud”.

The Executive Director of Green Cross United Kingdom, Ruy Campos-Dugone, stated: "Following the tradition of Green Cross to reward organisations that are actions oriented that transcend the path to sustainability, highlighting the efforts to avoid, prepare for, and/or address issues related to Global Change, as well as their coordinated efforts to benefit communities and the environment, we synthesize the reason why Rewire Holding is one of the winners of our Climate Positive Awards 2022”.

About Rewire Holding:
